Condolence From: Halla Elias

Condolence: Our son Oden had Lisa as his second grade teacher in 2009/2010. She was always incredible with him. As an exuberant and curious boy, he was either engrossed by his studies or getting into mischief. Lisa consistently handled him with grace, kindness and respect. He loved going to school that year. Because of her, Oden watched the clock each morning to make sure we arrived on time. Second graders, boys especially, can be like pinballs, and miraculously, Lisa was able to keep our children focused, inspired and passionate. Gifted teachers are a rare breed. She will be terribly missed...

Condolence From: Diane Nyland

Condolence: just know that even though many of the old golfing friends have sort of faded from view, you are still in our hearts and mind. I recall how your doxie got his head stuck in a jar and many other good laughs out on the course. You and Leigh always remember the very good things about Lisa. What a remarkable daughter that accomplished so very much in her short life! May God give you the comfort and peace that only He can give. With much care. Diane

Condolence From: Dina Re

Condolence: I was very saddened to hear of Ms. Lockwood's passing. She was my 2nd grade teacher at P.S. 11 in 2007. I always thought she was so beautiful and so elegant. I loved her beautiful blond hair and the high heels she sometimes wore to class. She was kind and always tried to be fair. She was even very funny at times. One of my funniest childhood school memory has to do with Ms. Lockwood. I smile every time I think of that incident. One of our classmates had passed gas in class and was very embarrassed and hid in the closet and wouldn't come out. Ms. Lockwood tried every way to make him feel better and when all else failed she told him " everyone passes gas, even Ms. Lockwood". Thinking about it right now makes me so sad, I'm so very sorry for your loss. She was so young. I'm sure you must be heartbroken. I will pray for you and will always remember Ms. Lockwood. She will live forever in our memory. I offer my sincere condolences.

Condolence From: Ginny & Doug Clemens

Condolence: Dear Carol Ann & Leigh, We just returned home and were reading old newspapers when we were shocked to read about Lisa. We are so sorry for your loss and for the loss to children and cats with whom she would have come in contact - making their lives all the better with her help. We hope the knowledge that so many feel your heart ache will help to lessen your sorrow over time.

Condolence From: Connie Baker-Sabo

Condolence: I knew right away I was going to love Ms. Lockwood the first day my daughter was assigned to her 2nd Grade class in 2009/10. She was kind and I

soon found out she was also a wonderful teacher. She was a stunning beauty and often wore very high heels around school. No elevator, tons of stairs, I don't know how she did it! She also dressed great and I once asked her where she shopped for all those great outfits? She seemed surprised and answered the Thrift store! I am very sad to hear of her passing. Many condolences to the family. This is a terrible loss for all.

Condolence From: Nicole Kanzler

Condolence: Second grade was a fun year for me, and I do not know if this would have been true if Ms. Lockwood was not my teacher. I was in her class for the 2008-2009 year, and just thinking about second grade I can immediately remember so many great memories, from the read aloud books, such as Holes, and the Tale of Despereaux, to the fun activities. I'm so sorry for your loss. They say there's no greater loss than losing a child. Not only have you lost a child, but the world, future students, and past students have lost a great person great teacher as well. I am sad. Rest in peace, Ms. Lockwood.

Condolence From: Clara O'Connell

Condolence: She was my teacher in second grade, and I had the most wonderful time. She was one of my favorite teachers at P.S.11. I learned so much from her-about the construction of the Empire State Building, immigrants... I had her in math for part of the year. I will miss her dearly and never forget her. She will forever have a place in my heart.

Condolence From: Robin Zachary

Condolence: I met Lisa in 2000 the year my son Jacob was born. We lived in the same building in Chelsea. We talked about babysitting although it never came about. How serendipitous that she became his second grade teacher 7 years later! She was a wonderfully dedicated teacher and we will miss her kindness and soft spoken manner. I enjoyed our chats on school trips and still have a card she sent to thank me after I organized a school-wide event. I feel for you and will have her in my thoughts always for the lasting impression she left on my son in his early years at PS 11.

Condolence From: Gustavo Zuniga

Condolence: Dear Lockwood family, It deeply saddens me to here the passing of your daughter. I was in her second grade class from 2008 to 2009, and there are a lot of fun memories from those days. From making a cat litter cake for us, playing with Legos during choice time, walking across the Brooklyn Bridge and finally eating really spicy Dorritos during the last day of school. she was one of my favorite teachers because she always had a unique way of teaching. All in all she was loved by many and she will always be remembered by me. Gustavo Zuniga

Condolence From: Jessie Walker

Condolence: I am so very saddened by this news. Miss Lockwood was my son's 2nd grade teacher in 2006-2007, with a very wonderful group of students who stayed together through elementary school. Miss Lockwood was the quiet and gentle teacher who at first seemed kind of reserved but whenever I met her on the street outside school was so warm and vivacious, and so happy to see me and Justin. Hers was a genuinely warm and kind spirit and it is a terrible loss for all who knew her.

Tuesday June 24, 2014

Condolence From: Justin Walker Banner

Condolence: To Lisa's family: I was one of Ms. Lockwood's Second-Grade students at PS11 from 2006 to 2007. I was shocked to learn she died, and I feel your sorrow. I knew her most for her kindness and encouragement as a teacher, acting as a motherly figure to myself and my classmates. I didn't know how much she loved cats (which is something I now know we shared), but her love of children radiated throughout the classroom, warming my heart every day when I walked into her classroom. She'll be missed forever by me, and I send my sympathies to you. She may be gone in this world, but she'll be in heaven and our hearts.

Condolence: To Lisa's family, I am so sorry for your loss. I was a colleague of Lisa's at PS11, knowing her from the first day she entered our school. She was a wonderful teacher, always kind and thoughtful. One of my strongest memory of Lisa is her love of animals. Every time she saw me walking my dog she came over and we talked about our pets as she lovingly pat my dog. She will be missed.

Condolence: Lisa Lockwood was my daughter's second grade teacher at PS11. She would come home and tell me stories of what a wonderful day at school she had with Miss Lockwood. Tuesday June 24, 2014

Condolence From: Marquez Family NYC

Condolence: Our daughter was Ms. Lockwood's second grade student at PS11 three years ago. Lisa's calm demeanor and attention to every detail inside her

classroom allowed every student to feel he/she could shine in school. And shine they did. Our daughter will be crushed when we share the news with her. In a way, teachers depart from our lives after the school year ends, their work completed, having prepared their students for the challenges that lie ahead. Our daughter is indeed off to a great middle school thanks in no small part to Lisa. So Lisa accomplished her mission already during many school years, many times over, and perhaps it could be a consolation to her loved ones that she did not leave work undone, as thousands of kids continue to advance with the knowledge she imparted within them. But one never forgets a great teacher and our daughter will certainly treasure all of those memories in Ms. Lockwood's class, including the friendships that so easily formed there. We so regret that other, younger kids will not get the chance to benefit from her kind and gentle dedication to them.

Condolence From: The Miodownik family

Condolence: I was so sad to hear of Lisa's passing. She was a colleague of mine at PS11. She was a wonderful teacher who really touched her students. One of my first memories of Lisa was several years ago on the morning of the first day of the school year. My mom was helping me set up my room before the day began. Lisa came right over and introduced herself and welcomed my mom and I. She said it was so sweet how my mom was helping me. Lisa was a special person. My thoughts are with her and the Lockwood family at this difficult time.

Condolence From: Melinda and David Marx

Condolence: Dear Lockwood Family, Our family sends our sincere condolences for your loss. We are so sad to have just heard this news. My son David had Ms. Lockwood for the Second Grade. He was a big fan of his adoring teacher. As an educator in the NYC Public School System, I am particularly disturbed at the passing of Lisa. Too young, too bright, too giving to have had it all taken away. Teachers are the sustainers of our society. Her heroism is to be praised always. We are happy that our lives were touched with her life. Warmest Regards, The Marx Family

Condolence From: Marcia Pomerantz

Condolence: My daughter had Lisa as a second-grade teacher in 2006-2007. I lost my mother that school year; in fact, I found out on the way to a parent-teacher conference with Ms. Lockwood. For some reason, I decided to go anyway and then blurted out my sad news to her when I arrived. Her eyes welled up with tears and then she hugged me, mystified that I'd shown up. I think I was in shock, really, and she was very comforting to me. Beside my daughter's love for Lisa, this is my strongest memory of her. I wish I could reach out and give a big hug to the Lockwood family. I am so sorry for your loss.

Condolence From: Alma and Marina

Condolence: We are so sad to hear about Ms. Lockwood's death. We are sisters, two years apart, and we both had her as a math teacher. Ms. Lockwood was fun, she knew how to communicate with you and she talked with you like an equal, she was just like you. We can't believe that she is gone and we always will carry her example of kindness and selflessness and generosity with us. To her family,

we want to say that she was a brilliant person and she died too young. We hope you will take comfort in the fact that she touched our lives profoundly and we will not forget her as an amazing teacher and a beautiful role model for how to be a smart girl.
